

**BASE  
TITANIUM**

## ATTACHMENT OPPORTUNITY – MAY 2019

Base is committed to providing a learning environment which provides exceptional on the job opportunities to transfer academic knowledge into a real work environment. Our attachment programme is designed so ongoing students can learn from experts, practice their trade and create a foundation for their future careers.

In this intake we will select 11 students to participate in our 3 month programme.

Disciplines we are looking for include:

- Bachelor of Commerce – Finance/Accounting option
- Bachelor of Science - Information Technology
- Bachelor of Procurement & Supplies Management
- Bachelor of Science – Mechanical/Mechatronics/Electrical/Automotive Engineering
- Bachelor of Science – Environmental Science/Biochemistry/Disaster Management
- Bachelor of Science – Geospatial/Geomatics Engineering/Diploma in Survey/Mapping
- Bachelor of Science in Agriculture/Crop and Animal Husbandry
- Diploma/Certificate in Refrigeration & Air Conditioning
- Certificate in Carpentry & Joinery/Certificate in Wood Machining

**Note: Diploma holders may be considered where no suitable degree holder is identified.**

### Requirements:

To be considered for a place on the Attachment Programme applicants must:

- Be currently enrolled (3<sup>rd</sup> or 4<sup>th</sup> year) in a Kenyan University or accredited College
- Have a valid Indemnity Insurance and proof of same
- Not have had a previous attachment with Base Titanium
- Complete registration on the ITAP portal <http://www.nita.go.ke/itap/>
- Complete the NITA - Industrial Attachment Contract in full (*provide an email address during your application and we will forward the forms to you thereafter*)
- Complete the online candidate profile in full
- Be a Kenyan citizen
- Have or be a holder of an endorsement letter from a University/College which indicates that the attachment aligns to their field of study
- Attach relevant supporting documents as one complete PDF or word file no larger than 1MB including cover letter, CV, National ID, PIN certificate an endorsement letter from your institution, NITA form, transcripts and academic certificates.

As interest in this programme is normally high, we strongly encourage applicants to lodge their application with the **OHS & Training Manager** via [www.basetitanium.com/careers/](http://www.basetitanium.com/careers/) or drop off at the **HR Desk or at the main gate** and ensure they meet and address all of the requirements of the online application process. Only applications which meet the above criteria will be considered and preference will be given to suitable candidates who are from mine affected areas.

Applications close on **5<sup>th</sup> April 2019** and only those shortlisted for an interview will be contacted.

*Base is an equal opportunity employer and encourages all qualified candidates to apply*
