

# COVID - 19 Community Support Programs

In response to the call by both levels of Government to support vulnerable households to mitigate the effects of the Covid-19 pandemic on household incomes, Base Titanium commenced a food relief distribution program. The distribution is to be carried out in phases and is designed to reach over 50,000 individuals.

## Relief Food & Handwashing Units – May/June 2020

In partnership with officials from Likoni Sub-County, food supplies and face masks were donated to 500 vulnerable households.

A further 2,500 vulnerable households received food packages aimed at supporting persons living with disabilities, fishermen and tourism sector workers.

## Installation of Handwashing Units

Base has installed 120 hand washing units of varying sizes in strategic locations from Likoni Sub-County to the Kenya - Tanzania border.

Handwashing units at administrative posts such as Chief's offices, include a 60 litre water tank and those in high traffic areas are equipped with a 3,000 litre water tank.
