Dear Sir,

RE: APPRECIATION ON OFFERING EDUCATION SCHOLARSHIP

I am writing to thank you for your generous contribution of KES 480,000.00 for the educational endeavours of Moi University Coast Campus students.

This has been a very kind and generous gesture on your part. Coast Campus is very happy and appreciative of your thoughtfulness and support for delivering our objective of teaching higher education.

The students you have sponsored are pursuing undergraduate and postgraduate degrees in the schools of:

- Arts and Social Sciences
- Business and Economics
- Education
- Information Sciences
- Tourism, Hospitality and Events Management

Upon graduation, they would be able to work in both the national and county governments to make Kenya a better country. Thanks to you, they are now one step closer to that goal.

By awarding our students the scholarship, you have lightened their financial burden which will allow them to focus on the most important aspect of school, **learning**. Your generosity has inspired our graduates to help others and give back to our community.

We hope one day they will help others achieve their goals just as you have helped them.

Thank you very much.

Sincerely,

DR. MWANAKOMBO MOHAMED
